### MOTION

We move that the Clerk of Council be registered with the State of Ohio Office of the Attorney General as the public records training designee representing the Mayor and Members of Council for the 2011-2013 term.

### Statement

State House Bill 9 requires all elected officials to attend public records training offered by the Office of the Attorney General and Office of the State Auditor or to assign a designee to represent them. Each elected official is required to attend the three-hour records training session each term in which they are elected to serve in office if a designee is not assigned.
